

Who We are

Since 1940, the Hawaii Korean Chamber of Commerce (HKCC) has worked to fulfill the goals and purposes of supporting the Korean-Americans in Hawaii and its business community. We do this through promoting business development, trade, and tourism between Hawaii and Korea through innovative programs, business seminars, and trade mission to Korea.

The Chamber has been involved in furthering the Korean community interest through events such as the 9-11 Economic Seminar, Entrepreneur of the Year Award, Scholarship Awards and the Korean Festival.
