Quad Chamber History

On April 8, 2015 the Hawaii Korean Chamber of Commerce, Filipino Chamber of Commerce of Hawaii and Chinese Chamber of Commerce of Hawaii formalized their strong relationship via a **Memorandum of Understanding**. On March 9, 2016, the Honolulu Japanese Chamber of Commerce joined the three chambers, signing the MOU, which then led to the group becoming known as the Quad Chambers.

This relationship was based on the chambers' history of joint business and community oriented networking events, including the Hawaii Gubernatorial Candidates Forum. The Quad Chambers also worked together on the 1st Congressional Candidates Forum.

The Quad Chambers shall continue to encourage, promote and facilitate cooperation among their members and business communities to the mutual benefit of all chambers and the communities they serve.
